	d. Moted a memorandum respecting an item in the 9 December issue of the <u>Gurrent Intelligence Bullotin</u> , published by the FEI, pertaining to purchases being unde in the US by nembers of the Soviet Mission here, and stated the President had indicated an interest in this. The Director undertook to "discuss this intelligence" with Mr. and asked Messrs. Helms and Sheldon to determine whether CIA received a copy of the above-mentioned Bullotin.	50X1
	General Cabell:	
50X1 50X1	Reported he had received a call from General Erskine who indicated that he had to have an easwer not later than temperature as to CIA's position regarding the General Erskine that we could not give a decision on this matter on such short notice; however, if one had to be given, we could not agree to the transfer of any of this Agency's functions to CIA. After some discussion the Director asked that a memorandum for the record be prepared for him of our conversations	
	approved General Cabell's recommendation that we continue our study of possible duplication of activities between TSS and that Agency.	

Mr. Kirkpatrick:

50X1

Robert Morris respecting Senator Jenner's request that testimony in the case be made public, and after some discussion the Director asked the IG to prepare a memorandum outlining point by point the herm which would be done to CIA operations if Senator Jenner's request was approved. Hr. Howston also undertook to discuss this matter with Mr. Regers of the Department of Justice.

50X1

b. Received the Director's approval to give "the facts" on the case to the Department of Justice.

Mr. Heims:

Asked the Director to errange an appointment with Senator Exewland for Mesers. Shancon and Fitzgerald for the purpose of emisting his aid in our problem with CAT.
